

Free Summer Tutoring for Minnesota Students

Reading Corps and Math Corps are offering **free virtual tutoring** this summer! Students in need of extra practice and skill building will be matched with a tutor who will provide daily tutoring via Zoom.

All tutors are trained in evidence-based methods proven to help students improve their skills and get up to grade level. Powered by AmeriCorps, there is never a fee for families who receive tutoring for their students.

Requesting Tutoring for Your Student(s)

Step One (Now): Complete an interest form letting us know you would like tutoring for your student(s) — this form helps us ensure we will have tutors available.

Step Two (Mid-May): Schedule your tutoring timeslots — our team will reach out using your preferred contact method to provide instructions.
