- What could your kids do at the Benton County Fair?

Come to this 4-H Project Showcase & Performing Arts evening. You will get a chance to see projects firsthand and hear from 4-H'ers about their experiences with 4-H. You will meet lots of animals that 4-H'ers bring like goats, horses, rabbits, chickens, dogs, pigs, baby doll sheep & more!

Come enjoy watching the youth performing as they are being judged on their performing arts acts.

There will be a guided tour around 5:30 pm for those interested and pizza served around 6:30pm. Fun for the whole family! Plan to stop by.
